Oracle banks on SA to bolster growth

INCREASING demand for cloud-based financials has driven Oracle NetSuite to expand operations in the country, the company said yesterday. Oracle is one of the world's leading providers of cloud-based business management solutions. "SA and the region represent the next great opportunity," Oracle NetSuite's Mark Woodhams said. NetSuite is extending its focus in South Africa and in the surrounding region with the addition of a dedicated sales team and country manager, he said. – Nonhlanhla Maseko
